Spike: A young baby dragon who's Twilight's number one assistant.

Kirby: A creature from Pop Star. He's so round, he's treated like a ball!

Tiff: A young girl who's intelligent for her age.

Tuff: Almost an opposite of Tiff, he just likes to show off and pull pranks.

Lololo & Lalala: Tiff and Tuff's loyal servants/best friends.

Tokkori: ???

Meta Knight: A valiant servant to Dedede, but does not follow what Dedede tries to dictate.

Disclaimer:

This episode may contain a series of too much laughter. If you suffer a case of wheezing or laughing syndrome from reading this, please stop reading, and run to your nearest ice cream parlor to order a root beer float. (This may not make sense, but it is kinda funny.)

Prologue:

A glorious afternoon in Ponyville. Twilight and Spike were walking around the market with Tiff, Tuff, Lololo, and Lalala. PinkiePie was being all hoppy around her.

Twilight: Thanks for giving me a hoof with some stuff I needed to buy, Pinkie.

PinkiePie: It's not a problem, Twilight! Also, I'd like to thank Kirby for helping out as well!

They see Kirby holding a HUGE amount of stuff on his back, and he wasn't even breaking a sweat! A yellow bird flies around Kirby.

Bird: Hurry it up, buddy! Don't wanna keep us waiting! Let's get a move on!

Spike: ... Um... Tiff?

Tiff: Don't worry, Spike. That's just Tokkori for ya.

Tuff: He's not bad. He's just... himself.

Just then, Tiff accidentally bumped into a stallion.

Tiff: Oh! Oh I'm sorry, sir! I didn't see you coming!

Stallion: Why don't ya try and look where ya going?! (Leaves, angrily.)

Lalala: Why did that pony yell at you, Tiff?

All of a sudden, a female pony shoves Kirby out of the way, making him drop all the stuff he was carrying!

Pony: Get a real job, sell-out!

Kirby: ???

PinkiePie: ??? What's going on with that pony??

Lololo: ??? What's going on with THOSE ponies???

The group turns to see... every single pony in Ponyville... sad... depressed... angry, and slightly less colorful. They all also had some dark thunder clouds above their heads!

Tokkori: Hey, what's going on with these ponies?

Kirby: Poyo...

PinkiePie: Is it a bad day for the ponies??

Twilight: I... I dunno, PinkiePie... but... .. Something's wrong... .. Something's very wrong...

PinkiePie:

Chapter 1:

Back at Twilight's house, Tiff and Twilight were frantically searching through some books to find some answers.

Twilight: I just don't understand it! Not one of my books has the answer to what is happening to all those poor ponies! (Flips through one book) Is it some kinda magical phenomenon that happens every hundred years?? Or is it some kinda disease that only magic can heal?? (Turns to Spike and the other boys.) I can use some HELP here, boys!

Tiff: (Reads through a book) !!!! I found it! It's called "Clouds of Depression". It says that they

only come every two-thousand years to bring depression and sadness to a certain town or city. Unless it leaves the town within a day, those clouds will remain on those poor ponies for another two thousand years!

The group: !!!!

Spike: Is there any kinda cure for it??

Tiff: (Flips through the pages) I can't find any! Not any! There is no cure for this!

LoLoLo: What are we gonna do?

Twilight: I dunno, guys... this is bad news for Ponyville. At the end of this day, everypony in Ponyville will end up in nothing but a depressing demise...

TokKori: (Mimics) DEMISE... (Normal) Hah! Hate to be THEM! (The group's not happy with his remark.) What?!

Twilight: We need to find a way to turn all those ponies back to normal. We can't just have them depressed forever! What should we do??

PinkiePie: ... !!! (Grabs Twilight) Twilight, we need our friends!

Twilight: ... Uh... whatta ya talking about, PinkiePie?

PinkiePie: I know what to do! But we need our friends in order to help Ponyville! No time to talk about it! Have work to do! (Zooms off! ... Leaving the group confused...)

Spike: ... I'm not sure what she's up to... but I'm pretty sure she sounded a little serious...

At Sweet Apple Acers...

Twilight: Alright, guys. We just hafta persuade Applejack that something odd is going on, and ask her for our help! I'm pretty sure she'll understand! (They look to see her... .. Less colorful... and with a tiny thundercloud above her head... feeling droopy and mad...) Then again, maybe not. (They approach her.)

Spike: Uh... Applejack?

Applejack: Whatta ya want?!

Spike: Um... we understand that your... .. Under the weather and such, but... We need your help to fix up Ponyville.

Applejack: Why should I help? Everything's fine and dandy! Besides, I'm much happier where I am!

Tuff: You don't look so happy.

Applejack: Oh I'm happy! I'm VERY happy, squirt! Now make like a drum and BEAT IT! (Turns around)

Spike: ... (Gets a sneaky idea) ... Hey, Applejack! Look! There's a bird on Kirby!

Applejack: ... (Turns to see Tokkori on Kirby.) ... Yeah, so it is- (She looks to see herself... tied up in some rope, being dragged by Kirby) WHAT THE HAY ARE YA DOING!?

Twilight: Sorry, AJ. It's for your own good.

Next scene, (The group was still dragging AJ on the ground.) at Rarity's boutique... the heroes find Rarity just like AJ. Less colorful, and a small dark cloud above her.

Rarity: I'm afraid I'm too upset to come with you, Twilight. I'm on the URGE to finish this little fashion project of mine... and... and... (Wails loudly) I CAN'T WORK UNDER THESE CONDITIONS!!! (Her face slams onto the counter.) WHY AM I SO STRESSED OUT????? (Wails loudly)

Tokkori: Hey, you better fix that girl quick. Her crying is giving me a headache...

Twilight: Um... Rarity, why don't you come with us? We could use your help to... get this stress off of you.

Rarity: ... (Sniffs) You... you mean it?

Twilight: Of course. (Smiles.)

Rarity: Well... Ok... (Sniffs) I promise not to cry anymore.

Applejack: (Sarcastically) No no! PLEASE do some MORE crying! It's MUSIC to my ears! (Kirby drags her away, not amused.)

Next scene, the group looks up to see Fluttershy, RainbowDash, Thor, and Richard up high on the cloud... same as Rarity and Applejack.

Lololo and Lalala fly upwards to the group.

Lalala: Hi, guys!

Fluttershy: Hi.

RainbowDash: What do YOU want?

Lololo: Twilight and her friends wanna talk to you!

Thor: Tell them to butt out. We're too depressed to talk now...

Lalala: But Twilight and the others need your help! Don't you wanna help your friends??

The group: ...

Back at the ground, Tiff and Tuff saw Lololo and Lalala fall from the sky! They managed to catch them!

Twilight: What happened?? (They all look up to see... the cloud carrying those depressed ponies were flying away!!)

Spike: Oh no! They're getting away!

Rarity: Oh dear... we'll never catch up to them...

Tiff: We can't! But KIRBY can! WARPSTAR! COME FORTH!!

Kabu's voice: WARPSTAR... (And just like that, a twinkle in the sky... warpstar appeared from the sky, and Kirby jumped on it, surfing in the air!)

The group that was on the cloud realized Kirby was right on their tail!

Richard: Hey, what's he following us for?

RainbowDash: Can't they take a hint and leave us alone?! Let's speed this up so we can have alone time. (They speed up!)

Kirby tried his best to keep up, but they were gaining the upper hoof!

Kirby then resorted to using his inhalation ability to drag back the group!!!

The group: !!!!!

Fluttershy: What-! What's happening???

Thor: I dunno! (They look to see that they were being pulled back by Kirby's inhalation!!) WHOA! That little dude's sucking us up!

RainbowDash: No way THAT'S gonna happen! (She and the others flap their wings as hard as they can to fly away! Kirby tried his best to bring them closer, and closer! Until...)

SNAP!!!! The pegasi group was suddenly tied up by some strong rope! ... And they started to fall. As soon as Kirby managed to catch his breath, he realized they were falling to their doom, and quickly swooped downward! He managed to catch the tied up pegasi... and gently tosses them to the ground. The others catch up!

Tokkori: Well I'll be! That little guy did it!

Applejack: (Sarcastically) Wow, he SURE saved the day.

Twilight: Wait... Who was the one that roped them up? (They look behind the tied up group to see... ..)

Meta Knight! He was the one that tied up the pegasi!

Next scene:

Meta Knight: I see. So this town may have this curse for two thousand years unless we stop it.

Tiff: We still don't know what the cure is! And we hafta get these ponies back to normal!

Applejack: Why don't ya look over at that huge tent there? I'm sure THAT will help ya out.

Tokkori: Enough of the sarcasm, lady! It's driving me nuts!!

Twilight: Uh... Tokkori? ... I don't think she was sarcastic this time. (AJ was right! There really WAS a big yellow and orange striped tent right by them!)

Spike: Hey, that tent wasn't there before!

Next scene. As the whole group steps inside, they heard somepony laughing. They all look up to see... PinkiePie, holding an umbrella, and balancing on a tightrope!

Twilight: PinkiePie???

PinkiePie: !!! TWILIGHT! You got all our friends together! Great job!

Twilight: Kirby, stop it! This is serious! There's no time for silly laughter! We have work to do!

Lalala: But what if PinkiePie knows what she's doing?

Spike: Laughter's not gonna solve this problem! We need to get her down before-!

Twilight: I think I know! It must be your happiness and joy that awakened this element, Pinkie! It's like I said before! A laughing place doesn't have to be physical! You just find it in your heart! ...

Like a Light at the end of the tunnel!

PinkiePie: ... (Smiles in joy... and hugs her friends) Thank you everypony! Wait till DM hears about THIS! (They all laugh)

Epilogue:

At DM's house...

DM: You found your element from LAUGHTER?

PinkiePie: Yeeeeeup! And I used it to SAVE all of Ponyville!

DM: (Giggles) It's just like those stories of unlikely heroes. You're obviously one of them!

Tokkori: The ONLY unlikely hero is Kirby! He doesn't even understand English!

Kirby: Poyo.

PinkiePie: ALL I know is, I'm TOTALLY prepared to face what's out there! I'll LAUGH at their face till I can't LAUGH anymore! ... Now let's all have a good end of the story laugh!

... .. They do just that.

Twilight's voice: PinkiePie's element of Light has awakened. The others still need to catch up! Who will get theirs next? We'll soon see! Stay tuned!
